

We were beyond delighted to learn that Castlewood House had been awarded the title of Best Small Hotel in Ireland in the 2023 TripAdvisor Travelers' Awards. These awards are based on independent reviews from past guests. To achieve this honour among our peers in the Irish hotel industry is humbling, and to be the only Irish hotel to be named in the top 20 hotels in the world category is incredible. Castlewood House was named No14 in the Top Small Hotels in the World by TripAdvisor.

Castlewood House is the ship that is steered by Brian and I, but our success is down to our wonderful crew, who, every day, give 110% commitment, to ensure that our guests are looked after. Each one of our crew just want to ensure that every person who stays with us, gets the very most out of their time on the Dingle Peninsula.

No request too big, no detail too small is our motto, and our team here live and breathe this motto. We always do our best to anticipate our guests needs and to deliver a hotel product that will be beyond their expectations.

We are so grateful to all our guests who took time out of their busy lives to leave a TripAdvisor review of their stay. A huge thank you to each and every person, and to all our loyal and repeat guests we are very grateful.

We have had great fun running Castlewood House for the past 18 years and we hope to do so for many years to come.
