

We were thrilled and deeply honoured to be featured in this year's **TripAdvisor Awards**.

We came first in the **Best Small Hotel in Ireland** category. This is enormous testament to our commitment here at Castlewood House, especially given the huge competition with other establishments.

Being awarded **No 1 in Ireland for Service**, beating even five star hotels, is a vote of confidence for our staff, and a great achievement for everyone here.

Having achieved **No 1 in Ireland in the Best Bargain Category**, we were really happy, as this shows that our guest's perception, is that, we are providing a great product and service, at a great price. In this economic climate everyone wants value for money!

We were honoured to be the only hotel in Ireland to feature in the **Top 25 Small Hotels and Best Bargain Group**, for which we are humbled and grateful.

At the Irish Hospitality Awards in November '15, held in the Merrion Hotel in Dublin, we were over the moon to win the **Best Value Hotel Category**.

All in all a great achievement for our staff, but thanks must go to all our loyal guests who made it possible.

THANK YOU -
